

Bereavement Support Group

Have you lost your spouse to Alzheimer's disease or a related dementia in the last two years?
We are here for you.

Join the LIAD Center for an 8-week bereavement group, facilitated by a licensed clinical social worker, designed to provide support, new coping strategies and information about the grieving process, specific to the dementia population.

Availability is limited.

To register, call 767 -6856 or contact
Jillian Viup, LCSW at JViup@lidementia.org
